

CASPA

Life with Autism

Charity No. 1110260

INTERS

CASPA Inters is a multi-activity youth club for children on the spectrum from 9-13yrs to come and have fun and feel free in a safe and caring environment where their needs will be met, understood and challenged. Where young people can make friends for life and have new experiences. We offer a range of activities from all sports including trampolining, arts and crafts, cooking, science experiments, woodland walks and much more. Our aim is to create a safe space where children feel free to express themselves and have fun.

ABOUT US

CASPA is a unique, rapidly growing and award winning charity working to support children, young people and families affected by Autism. We run social clubs, specialist trampolining and technology projects, holiday programmes, residential trips and family support; all with the focus on enabling our young people to access what they are entitled to - fun, friendship and an independent future!
